

INTRODUCED BY:

ORDINANCE NO. 2020-17

COUNCILOR JOSH MESSINGER

A BILL TO BE ENTITLED

AN ORDINANCE CREATING A NEW ARTICLE V (GOLF CARTS), CHAPTER 22 (NEPTUNE BEACH TRAFFIC AND MOTOR VEHICLES CODE), ORDINANCE CODE, SETTING FORTH STANDARDS AND PROCEDURES FOR APPROVAL AND DESIGNATION OF PUBLIC RIGHTS OF WAY FOR USE BY GOLF CARTS; DESIGNATING PARKING AREAS; PROVIDING FOR SEVERABILITY; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the State of Florida through F.S. § 316.212 has provided guidance to municipalities for the local regulation of golf carts, low-speed vehicles and utility vehicles; and

WHEREAS, the City of Jacksonville established through its ordinance 2018-266-E, a provision within their code regulations for the use of golf carts, low-speed vehicles and utility vehicles; and

WHEREAS, there continues to be a necessity in the City of Neptune Beach for regulations with respect to golf carts, low-speed vehicles and utility vehicles, on and through the streets and alleys within the City of Neptune Beach for the convenience of the citizens and visitors to the community, and to address traffic hazards and safety issues.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF NEPTUNE BEACH, FLORIDA:

Section 1: Creating a New Section 7 (Golf Carts), Article V, Chapter 22 (Neptune Beach Traffic and Motor Vehicles Code), *Ordinance Code*. A new Section 7, Article V, Chapter 22 is hereby created to read as follows:

Chapter 22. (Traffic and Motor Vehicles)

Article V

Section 70. Golf Carts

Sec. 22 – 70 Findings.

- (a) The Council finds that golf carts provide residents an alternative mode of transportation within communities and the beachfront, reducing vehicle emission and gasoline consumption and separate pathways for golf cart usage within public and private rights of way can provide connection between local roads so as to allow travel between residential, retail, workplace and recreational areas without the need to use an automobile.
- (b) As more residents seek alternatives to automobile use the Council finds that having uniform standards for designation of roads and streets for use by golf carts and operations of golf carts is necessary to protect the health, safety and general welfare of the public.
- (c) Section 316.212, Florida Statutes authorizes local governments to designate public municipal roads and streets for use by golf carts.

Sec. 22 – 71 Definitions

For the purpose of this ordinance, the following definitions shall apply unless the context clearly indicates, or requires a different meaning:

- (a) "Alley" – Also known as alleyway, see, "Road."
- (b) "All-Terrain Vehicle" Shall have the definitions provided in F.S. § 316.2074. As it now exists, that term means: any motorized off-highway vehicle 50 inches or less in width, having a dry weight of 1,200 pounds or less, designed to travel on three or more nonhighway tires, and manufactured for recreational use by one or more persons. For purposes of this section, "all-terrain vehicle," also includes a, "two-rider ATV," as defined in F.S. § 317.0003.
- (c) "Applicant" – Means a person or entity who is requesting that a road be designated as either a Designated Road or a Prohibited Road, or for a sidewalk to be designated as a Golf Cart Path (By default all sidewalks and pathways are restricted from use by golf carts, low-speed vehicles and utility vehicles).
- (d) "Application" – Means a request for a Road to be designated as either a Designated Road or a Prohibited Road, or for a sidewalk to be designated as a Golf Cart Path (By default all sidewalks and pathways are restricted from use by golf carts, low-speed vehicles and utility vehicles).
- (e) "Authorized Utility Vehicle" – Means a Golf Cart or LSV of the Jacksonville Fire and Rescue Division, Jacksonville Sheriff's Office Vehicles, Neptune Beach Police Department Vehicles, Neptune Beach Ocean Rescue Division, and Utility Vehicles of

other City Departments, public service corporations operated by private corporations, the Florida Fish and Wildlife Conservation Commission, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Department of Transportation, and the Florida Department of Corrections as are designated or authorized by the City Manager.

- (f) "City" – Means the City of Neptune Beach, Florida.
- (g) "City Council" – Means the City Council for the City of Neptune Beach, Florida.
- (h) "City Engineer" – Means the official designated or recognized to be performing as a professional engineer for the City.
- (i) "Designated Road" – Means a Road, or portion thereof, that, consistent with this Section, has received approval from the City for the use of Golf Carts. Designated Road shall include roads currently in existence or Roads planned for construction (By default all Roads within the City of Neptune Beach are designated as approved for the use of Golf Carts, Low-Speed Vehicles, and Utility Vehicles).
- (j) "Driver's License" – A valid, current license to operate a motor vehicle issued by the state of Florida, any other state within the United States; or for foreign visitors, a valid driver's license from their country of residence.
- (k) "Financial Responsibility" – Liability insurance coverage on a golf cart, low-speed vehicle, or utility vehicle not less than required by Florida law for motor vehicles operated on public highways in the State of Florida.
- (l) "Golf Cart" – Shall have the definitions provided in F.S. § 320.01. As it now exists, that term means: "A motor vehicle designed and manufactured for operation on a golf course for sporting or recreational purposes and is not capable of exceeding speeds of (20) miles per hour."
- (m) "Golf Cart Path" – Means a shared-use pathway which may be used by pedestrians, roller-bladers/skaters, runners, bicyclists, and golf carts (By default all sidewalks and pathways are restricted from use by golf carts, low-speed vehicles and utility vehicles).
- (n) "Low-Speed Vehicle" – Also known as, "LSV," Shall have the definitions provided in F.S. § 320.01. As it now exists, that term means: "Any four-wheeled vehicle whose top speed is greater than 20 miles per hour but not greater than 25 miles per hour, including but limited to neighborhood electric vehicles. LSVs must comply with the safety standards in 49 C.F.R. Section 571.500 and Section 316.2122, Florida Statutes."

- (o) "Multi-Use Path" – Also known as, "Shared Path," Means a paved or unpaved recreational trail, bicycle path or sidewalk, maintained by the City of Neptune Beach within and without city road rights of way, on public or private property, intended for and open to the use of the public for travel and recreational activities; Multi-Use Paths are not part of the, "County Road System," as defined in Chapter 336, Florida Statutes.
- (p) "Prohibited Road" – Means a Road, or portion thereof, on which, consistent with this Section, the City has specifically prohibited the use of Golf Carts or LSVs. However, all roads under the jurisdiction of the City of Neptune Beach shall allow Golf Carts unless expressly prohibited by this Chapter, or pursuant to previous ordinances.
- (q) "Road" – Shall have the definitions provided in F.S. § 320.01. As it now exists, that term means: the entire width between boundary lines of every way or place of whatever nature when any part thereof is open to the use of the public for purposes of vehicular traffic; also known as: street, highway, or alley. This term includes associated sidewalks (By default all sidewalks and pathways are restricted from use by golf carts, low-speed vehicles and utility vehicles), the roadbed, the rights of way, and all culverts, drains, sluices, ditches, water storage areas, waterways, embankments, slopes, retaining walls, bridges, tunnels, and viaducts necessary for the maintenance of travel and all ferries used in connection therewith.
- (r) "Operate" – To ride in or on and control the operation with actual physical control of a golf cart, low-speed vehicle, or utility vehicle.
- (s) "Operator" – Only persons over (16) years of age, and holding valid, current driver's license may operate a golf cart, low-speed vehicle, or utility vehicle on a street, highway or in the public right of way.
- (t) "Off-Road Vehicle" – A motor-driven vehicle capable of cross-country travel: without benefit of a road or trail; and on or immediately over land, water, snow, ice, marsh, swampland, or other natural terrain. The term includes, but is not limited to the following: A multi-wheel drive, or low-pressure tire vehicle; an amphibious machine; a ground effect air cushion vehicle; Swamp Buggy; and other means of transportation deriving motive power from a source other than muscle, or wind. The term does not include, but is not limited to the following: A farm vehicle being used for farming; a vehicle used for military, law enforcement, or other purposes related to good governance by City employees; a construction, mining, or other industrial-related vehicle used in performance of the vehicle's common functions; a registered aircraft; and other vehicle properly registered by the Florida Highway Safety and Motor Vehicles; or any water craft that is registered under state statutes.
- (u) "Sidewalk" – Means a paved area intended primarily for use by pedestrians (By default all sidewalks and pathways are restricted from use by golf carts, low-speed vehicles and

utility vehicles); that portion of a street between the curb line, or the lateral line of a roadway and the adjacent property lines, intended for use by pedestrians; F.S. §316.003 (47).

(v) "Highway" – See, "Road."

(w) "Street" – See, "Road."

(x) "Utility Vehicle" - Shall have the definitions provided in F.S. § 320.01. As it now exists, that term means: a motor vehicle designed and manufactured for general maintenance, security, and landscaping purposes, but the term does not include any vehicle designed or used primarily for the transportation of persons or property on a street or highway, or a golf cart, or an all-terrain vehicle as defined in F.S. § 316.2074.

Sec. 22 – 72 Designation Procedures.

The following procedures shall be utilized in designating any portion of any Road as a Designated Road or Prohibited Road or any portion of a Sidewalk as a Golf Cart Path:

- (a) For additional clarity all Roads under the jurisdiction of the City of Neptune Beach are, by default, Designated Roads for golf carts, low-speed vehicles and utility vehicles.
- (b) For additional clarity all sidewalks under the jurisdiction of the City of Neptune Beach are, by default, are restricted from use by golf carts, low-speed vehicles and utility vehicles.
- (c) Upon receipt of an Application, the City Engineer shall, as may be applicable, conduct a study, review any study provided by an Applicant, or review the proposed construction plans, if the Application has been submitted during the development review. The City Engineer shall review the Application in accordance with best practices within the industry and with local, state and federal design standards and guidelines and shall make a recommendation of the following as may be applicable:
 - (1) In the case of a proposed Designated Road, whether Golf Carts may travel on or across the proposed Designated Road, considering factors including the speed, volume, and character of motor vehicle traffic using said road or street, provided that, in no event shall an Application for a proposed Designated Road be granted unless the posted speed limit is (30) miles per hour or less. Upon completion of the review, the City Engineer shall either recommend denial or approval of the Application to the Community Development Director and City Manager.

- i. The Community Development Director shall review the recommendation of the City Engineer and consider the effect that the application has on the City's Comprehensive Plan and Vision. Upon completion of the review, the Community Development Director shall either recommend denial or approval of the Application to the City Manager.
 - ii. The City Manager, or designee, shall review the recommendations from the City Engineer and Community Development Director and shall deny or approve the application.
- (2) In the case of a proposed Prohibited Road, whether it is necessary in the interest of public safety to prohibit the operation of golf carts, LSVs, or utility vehicles on the proposed Prohibited Road. Upon completion of the review, the City Engineer shall either recommend denial or approval of the Application to the Community Development Director and City Manager.
 - i. The Community Development Director shall review the recommendation of the City Engineer and consider the effect that the application has on the City's Comprehensive Plan and Vision. Upon completion of the review, the Community Development Director shall either recommend denial or approval of the Application to the City Manager.
 - ii. The City Manager, or designee, shall review the recommendations from the City Engineer and Community Development Director and shall deny or approve the application.
- (3) In the case of a proposed conversion of an existing Sidewalk into a Golf Cart Path or construction of a Golf Cart Path where no sidewalk and/or Road currently exists, the City Engineer shall consider, as applicable, the current or proposed conditions for non-vehicular traffic in the surrounding community, the character of the surrounding community and the location of proposed and/or existing authorized Golf Cart crossing(s), and whether Golf Carts, bicycles and pedestrians may safely share the proposed Golf Cart Path. Any Golf Cart Path shall have a minimum of fourteen (14) feet of clear width with pavement width of at least (12) feet, measured from the centerline of the clear width. The City Engineer may approve a deviation of both the required width and required pavement width based on topographic conditions but may not approve a proposed Golf Cart Path with less than (8) feet of pavement width. Upon completion of the review, the City Engineer shall either recommend denial or approval of the Application to the Community Development Director and City Manager.

- i. The Community Development Director shall review the recommendation of the City Engineer and consider the effect that the application has on the City's Comprehensive Plan and Vision. Upon completion of the review, the Community Development Director shall either recommend denial or approval of the Application to the City Manager.
- ii. The City Manager, or designee, shall review the recommendations from the City Engineer and Community Development Director and shall deny or approve the application.

(4) In the case of a proposed conversion into a Golf Cart Path of an existing or planned Multi-use Path that was installed in lieu of a requirement for both a bike lane and a sidewalk, said conversion will only be allowed if an additional four feet of pavement width and overall clear width is provided (16' of pavement width and 18' of clear width). Additionally, the City Engineer shall consider, as applicable, the current or proposed conditions for non-vehicular traffic in surrounding community, the character of the surrounding community and the location of the proposed and/or existing authorized Golf Cart or Multi-Use Path crossings, and whether Golf Carts, bicycles and pedestrians may safely share the proposed Golf Cart Path. The City Engineer may recommend approval of a deviation of both the required clear width and required pavement width based on topographic conditions, but may not approve a proposed Golf Cart Path in this instance with less than (12) feet of pavement width. Upon completion of the review, the City Engineer shall either recommend denial or approval of the Application to the Community Development Director and City Manager.

- i. The Community Development Director shall review the recommendation of the City Engineer and consider the effect that the application has on the City's Comprehensive Plan and Vision. Upon completion of the review, the Community Development Director shall either recommend denial or approval of the Application to the City Manager.
- ii. The City Manager, or designee, shall review the recommendations from the City Engineer and Community Development Director and shall deny or approve the application.

(d) In the event the City Engineer recommends denial of the Application, the City Engineer shall provide the Community Development Director and City Manager with written findings of fact in support of the denial; a copy of which will be given to the Applicant.

(1) The City Manager may approve or deny the Application based on the recommendations of the City Engineer and/or Community Development Director.

- (2) In the event that the City Manager denies the Application, the City Manager will provide the Applicant with the denial and any written findings of fact produced by the City Engineer and/or Community Development Director. The Applicant may appeal the denial of the City Manager by filing a written notice of appeal with the City Clerk within (30) days after receipt of the written findings of fact. The appeal shall be heard by the Community Development Board and either the decision by the City Manager shall be affirmed or overruled.
- (e) In the event the City Engineer recommends approval of the application, the City Engineer shall provide the Community Development Director and City Manager with written findings of fact in support of the approval. Upon approval of the Application by the City Manager, the Applicant shall install, or shall cause to be installed, appropriate signs and/or pavement markings to indicate where and that such vehicle use is allowed or prohibited, as may be applicable. All signage and pavement markings shall comply with the standards of the *Manual on Uniform Traffic Control Devices* issued by the *Federal Highway Administration*; and as may be required by the Neptune Beach Code of Ordinances, or Vision Plan; and with any permitting requirements for such signs. At a minimum, signs shall be located at entry points into the development, and on the Roads and Golf Cart Paths. The signs shall be of a design approved through the application process. The Applicant or designee shall pay in full for all costs and expenses associated with the installation of such signage and/or pavement markings. Failure to repair or replace a damaged or missing sign shall cause a Road to lose its designation.
- (f) Communities that own and maintain their own road system (i.e. private communities, Home Owners Associations, community development districts, special districts) may apply pursuant to this Section for the community-owned roads or sidewalks, or any portion thereof, to be designated for Golf Cart use, or for the use of LSVs to be prohibited upon the community-owned roads, or any portion thereof, and for enforcement of the provisions of this Section, if said community has entered into a traffic enforcement agreement with the City of Neptune Beach Police Department. The cost of any and all signage and/or pavement markings required shall be the sole responsibility of the community. Nothing in this Section shall be construed to convey to the City any ownership or maintenance responsibility of the community-owned roads or sidewalks.

Sec. 22 – 73 Operation of Golf Cart, LSV, Utility Vehicles and Equipment

The operation of a golf cart, low-speed vehicle, or utility vehicle on a road under the jurisdiction of the City of Neptune Beach is strictly prohibited unless the golf cart, low-speed vehicle, or utility vehicle is operated, and equipped in full compliance with this ordinance.

(a) DUTY OF CARE

- (1) No Golf Cart, LSV, or Utility Vehicle shall be operated in a reckless or careless manner. The Florida Uniform Traffic Control Law, F.S. § 316, shall apply where applicable, as per Florida Law.

(b) REGISTRATION REQUIREMENT

- (1) All golf carts, LSVs and Utility Vehicles, including, but not limited to swamp buggies, must be registered with Florida Highway Safety and Motor Vehicles; and must be plated.
- (2) All LSVs and Utility Vehicles must be registered and insured in accordance with F.S. § 302.02, and titled pursuant to Chapter 319, Florida Statutes.

(c) AUTHORIZED OPERATOR

- (1) Only persons over sixteen (16) years of age and holding a valid, current driver's license may operate a golf cart, LSV, or Utility Vehicle on any street, highway or in a public right of way.

(d) FINANCIAL RESPONSIBILITY PROOF

- (1) The operator of a golf cart, LSV, or Utility Vehicle must be able to produce proof of financial responsibility when asked by a City Official while operating a golf cart, LSV, or Utility Vehicle.
- (2) Written proof of financial responsibility must be available either on the golf cart/off road vehicle, or carried by the operator at all times.

(e) TIME OF ALLOWABLE OPERATION AND EQUIPMENT REQUIREMENTS

- (1) Golf carts, LSVs, and Utility Vehicles shall not be operated on Roads under the jurisdiction of the City of Neptune Beach during one-half hour after sunset to one-half hour before sunrise; unless
 - i. The golf cart or off-road vehicle is equipped with two operating headlights (one on each side of the front of the golf cart, LSV or utility vehicle), two operating red tail lights with red brake lights (one on each side of the rear of the golf cart, LSV, or utility vehicle) which are visible from a distance of five hundred (500) feet, and four operating amber turn signals (one on each side of the front, and rear of the golf cart, LSV or utility vehicle) which are visible from a distance of five hundred (500) feet.

- ii. No person who does not hold a valid driver license and is under (17) years of age may operate a Golf Cart upon a Designated Road or Golf Cart Path after 11PM and before 6AM.
- (2) All Golf Carts, LSVs, and Utility Vehicles must be equipped with at least one side-mounted rear-view mirror on the left side of the vehicle.
 - (3) All Golf Carts, LSVs, and Utility Vehicles must be equipped with a windshield.
 - (4) A Golf Cart operating on a Designated Road or Golf Cart Path must be equipped with efficient brakes, reliable steering apparatus, safe tires, a rearview mirror (inside the operator's cab), and red reflectorized warning devices in both the front and rear.
 - (5) A Golf Cart operating on a Designated Road or Golf Cart Path must be equipped with a horn or other warning device as required by F.S. § 316.271.
 - (6) All LSVs, and Utility Vehicles must be equipped with headlamps, stop lamps, turn signal lamps, taillamps, reflex reflectors, parking brakes, rearview mirrors (inside the operator's cab), windshields, seat belts, and vehicle identification numbers.
 - (7) All Golf Carts, LSVs, or Utility Vehicles that is not under ordinary circumstances moved, operated, or driven at a speed greater than twenty-five (25) miles per hour must display on the back of the vehicle a, "slow-moving vehicle" emblem.
 - (8) The City, or any other state or local agency operating under an interlocal, or mutual aid agreement may use Golf Carts, LSVs, and Utility Vehicles upon any Road or Sidewalk in accordance with F.S. § 316.2126; and F.S. § 316.21265.

(f) VARIANCES

- (1) In the event that a person cannot meet any of the criteria for equipment, that person may make a written request with the Community Development Board for an exception to the provisions of this Ordinance.
 - i. Such written requests shall set forth the item, or items that cannot be met by said person, and the reasons for that, and shall state why the Community Development Board should allow an exception to any of the terms and provisions of this Ordinance.
- (2) The Community Development Board shall have the authority to grant, or deny any such exceptions following the receipt of such a written request, and the appearance of the person making such request at a Community Development

Meeting, by establishing in writing the reasons for the granting, or denying of the exception(s) so requested.

(g) PLACE OF OPERATION

- (1) By default, all Golf carts, LSVs, and Utility Vehicles may be operated on Town streets if the equipment complies with other provisions of this code.
- (2) In general, Golf carts, LSVs, and Utility Vehicles may not be operated along 3rd Street (A-1-A), or any other state or federal highway except to cross said highways at a ninety (90) degree angle; or as may be allowed under F.S. § 316.212.
- (3) By default, Golf carts, LSVs, or Utility Vehicles are not to be driven, or parked on public sidewalks.
- (4) No golf cart, or off-road vehicle shall be allowed to operate in any area designated as a park without the prior approval of the Director of Public Works; vehicles operated by City employees for the purposes of carrying out related job-duties for the good operation of the City are exempted from this restriction.

(h) OCCUPANTS

- (1) The number of occupants in a golf cart, or off-road vehicle shall be limited to the number of persons for whom factory seating is installed, and provided on the Golf Cart, LSV, or Utility Vehicle.
- (2) The operator and all occupants shall be seated in the Golf Cart, LSV, or Utility Vehicle and no part of the body of the operator or occupant shall extend outside the perimeter of the Golf Cart, LSV, or Utility Vehicle while in operation.
- (3) Children under (3) years old are not to be passengers on Golf Carts, LSVs, or Utility Vehicles on public streets, alleys, or roads in the City of Neptune Beach.

(i) TRAFFIC RULES; ENFORCEMENT; AND PENALTIES

- (1) The Florida Uniform Traffic Control Law, F.S. § 316, shall apply where applicable, as per Florida Law.
- (2) The operator of the Golf Cart, LSV, or Utility Vehicle shall comply with all traffic rules and regulations adopted by the State of Florida, and the City of Neptune Beach which govern the operation of motor vehicles.

- (3) The Neptune Beach Police Department is authorized to stop persons whom are reasonably suspected to be in violation of the provisions of this section and may detain such persons as long as is reasonably necessary to determine whether they are in violation of this Section.
- (4) The Neptune Beach Police Department, upon finding a person suspected to be in violation of this Section shall allow the person an opportunity to explain why he or she is not in violation of this ordinance. If a person is in violation of the ordinance, the Neptune Beach Police Department shall ascertain the name and address of the person, warn the person that he or she is in violation of the ordinance, and if there is any doubt about the will or capacity of the person to return safely to their home or usual place of abode, the Neptune Beach Police Department may take the person immediately to their home or usual place of abode.
- (5) Any person who violates this Section shall receive a written warning for his or her first violation.
- i. Violations of this Section that are not subject to penalties of F.S. § 316; and after first receiving a written warning, are hereby declared to be civil infractions for which the following penalties shall be assessed and paid in the following amounts:
- | | |
|-------------------|----------|
| 1. First Offense | \$50.00 |
| 2. Second Offense | \$75.00 |
| 3. Third Offense | \$100.00 |
- ii. If a person fails to pay the civil fine within the time prescribed on the citation or fails to obtain a court date, or having obtained a court date, fails to appear in court to contest the citation, the person shall be deemed to have waived the right to contest the citation. In such case, final judgement may be entered against the person in the maximum civil fine allowed, which shall be payable within sixty (60) days from the date of execution of the final judgment. Alternatively, the court may issue an order to show cause, requiring the person to appear before the court to explain why action on this citation has not been taken. If any person who is issued such an order fails to appear in response to the court's directive that person may be held in contempt of court in addition to having to pay the civil fine, court costs and restitution, as applicable.

- iii. The enforcement provisions of this Section are supplemental in nature and are not intended to prohibit the City from seeking any remedy available at law or equity.

Sec. 22 – 74 Severability

If any section, sentence, clause, phrase, or word of this Ordinance is, for any reason, held or declared to be unconstitutional, inoperative or void, such holding or invalidity shall not affect the remaining portions of this Ordinance, and it shall be construed to be the legislative intent to pass this Ordinance without such unconstitutional, invalid or inoperative part therein.

Sec. 22 – 75 Effective

This ordinance shall be in full-force and effect from, and after its passage and publication as required by law.

The provision of all other ordinances in conflict with the provisions hereto are no further in force, or effect, and are hereby repealed.
