Cancellation protection is highly recommended and must be purchased at time of deposit. Air rates are subject to change until tour is paid in full. If Travel Protection Plan has not been purchased and a reservation is cancelled for any reason prior to departure - Air is 100% non-refundable once paid in full. Payment of a Per Person Travel Protection Plan Fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan Fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan Fee with Air only covers airline tickets you have purchased from Collette. Exception: If you originally purchased nonrefundable airline tickets, Part B of the Travel Protection Plan may provide a refund for the airline tickets, taxes, or fees in the event of a cancellation for a covered reason (see Part B for more details). The Travel Protection Plan Fee does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. However, the Part B travel insurance includes a single supplement benefit of \$1,000 for certain covered reasons as detailed in Part B. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. Cancellation waiver protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. Cancellation waiver does not indemnify you from penalties if you chose to cancel partial tour components or air. If you chose to partially cancel your vacation, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation. Upon cancellation of transportation or travel services where you, the customer, are not at fault and have not canceled in violation of the terms and conditions above, you will be refunded 100%. Experience It! See History Cast in Stone

In 1925, Gutzon Borglum set out to create a gigantic work of art. Armed with four hundred men and one million dollars, he began carving a 5,725-foot mountain into a national masterpiece. The mountain's name is Mount Rushmore and the men whose images are carved into its façade symbolize the first 150 years of United States history. Immortalized in stone are George Washington, Thomas Jefferson, Theodore Roosevelt and Abraham Lincoln. Creating the memorial was a difficult task. The rock on Mount Rushmore was so strong, dynamite was the most practical way to mold the monument. Once the stone was blasted to within inches of Borglum's measurements, the faces were fine-tuned with hammers and chisels. Fourteen years after construction began, Borglum died, leaving the final phases of construction to his son, Lincoln. All work on Mount Rushmore concluded for good in October of 1941, on the eve of World War II. Interestingly enough, what you see immortalized in the Black Hills of South Dakota is actually an unfinished masterpiece. Borglum's original plans called for the four men to be carved all the way down to their waists.
