Res. No. 2022-07, Fees Resolution No. 2022-07, A Resolution of the City of Neptune Beach, Florida, Adopting a Schedule of Fees to be Instituted for Various City Services; Providing for Severability and Providing an Effective Date.

Councilor Messinger commented that he appreciated all of the staff time that has gone into this resolution. Additionally, by having this in one place, a business or resident does not have to hunt through our ordinances. It is a very good move forward for consolidation and transparency related to our fee schedules.

Vice Mayor Chin agreed with Councilor Messinger and added this was quite an undertaking, especially since Council asked for further analysis by looking at our sister cities. Next time they try to do the same thing, they will find the fees all in one place.

Made by Livingston, seconded by Chin.

Res. No. 2022-08,
Employee
Handbook

Resolution No. 2022-08, A Resolution of the City of Neptune Beach, Florida, Adopting An Employee Handbook; and Providing an Effective Date.

Vice Mayor Chin stated that from his understanding from the City Clerk's communication, this was put together by the HR consultants who handle this for a living and is their expertise. It combines a different policies and resolves ambiguities and conflicts. He added that this is staff policy and it is something Council shouldn't be digging into.

Councilor Key remarked that she felt differently. She stated there were things that she wondered how is this related to an employee handbook. One of them being the social media policy. It states "The City also reserves the right to turn off the ability of employees or third parties to post or comment, in its discretion. The City does not intend to create a public forum, but to maintain a forum related to topics posted by the City."

Councilor Key commented that this sounds less like an employee policy and more like a city policy for its residents. She disagrees with it. When she looks at what other cities do in terms of communication or allowance of commenting, she did not find any that had commenting turned off. There is a rub with citizens that comments have been turned off. There is not the necessity to engage but there is an opportunity to see where things lie when we do make a post.

Mayor Brown requested someone address comments being turned off and how it is being handled in the handbook.

City Attorney Zachary Roth stated that it is not a legal question in the sense that we can have comments or we cannot have comments. We have no legal obligation to have them on or off. It is a policy question. The language does not change anything. We don't have to say we have a right that we already have. There is no legal obligation to provide a forum on our social media or have social media at all.

Kathi Walker, with NewFocus HR, the consultant, stated that the commenting provisions were throughout the documents she gathered to create the new handbook. She stated there was a list in the new handbook of topics that employees should not be putting on the City social media site.

Councilor Livingston stated she does not see any issues. It puts everything in one place, especially with our union contracts.

Councilor Messinger stated he would like to see it spelled out that the Council has a say if we are going to shut off communication with the public. That is a policy issue that we as a body would want to choose the agrees that we should have commenting. He questioned if this should be addressed in the employee handbook or does it need to go a separate path. They should follow each other.

Mr. Roth reported that the document states that we reserve the right to turn off comments. Since Council is the body passing this handbook, anything in it is at the discretion of Council. It does not need to be revised to say it is on or off.

The paragraph on page 43 and top of 44 in Section 515 reads "The Website Administrator will monitor the City-related social media, Web 2.0, and social networking outlets at least once a day to respond to messages and remove any messages deemed removable. If a City social media site allows comments or posts by third-parties, the City may terminate the site at any time. If the City continues to use the social media site, the City reserves the right to edit or remove any inappropriate content posted to the site. The City also reserves the right to turn off the ability of employees or third-parties to post or comment, in its discretion. The City does not intend to create a public forum, but to maintain a forum related to topics posted by the City."

Made by Messinger, seconded by Key.

MOTION: **TO ADD THE FOLLOWING TO THE END OF THE PARAGRAPH AT THE TOP OF PAGE 44, "ANY DECISION BY THE CITY TO TURN OFF THE ABILITY OF EMPLOYEES OR THIRD PARTIES TO POST OR COMMENT ON ITS SOCIAL MEDIA SHALL NOT OCCUR WITHOUT CONSENT OF CITY COUNCIL"**

Ms. Walker advised that allowing the time or discussion by Council could almost be detrimental.

Councilor Livingston agreed with Ms. Walker. She stated that adding this language could cause damage.

Councilor Key remarked that we are talking about what employees are allowed or not allowed to do. She takes issue with turning off of public comments from our social media page. She added that our social media page should be an open forum.

Vice Mayor Chin expressed that the Neptune Beach Official Facebook page is a one-to-many informational page that is used as a place for announcements. It is a way to promulgate information such as a boil water alert or events. Due to the nature of those things, it is not necessary to have commenting. In terms of whether this cuts off communication with the public, each Councilor is free to engage with the public on their own social media profiles. This is not something that is regulating the behavior of the Councilors.

Councilor Messinger agrees that we should have commenting. There are policies and ways in which it can be civil. The City should reserve the right to remove a racist or any other vulgar post. He is referring to a broader, overarching policy.

Ms. Walker stated that we are muddying the waters between residents and what is for employees. When she sees the phrase "third-parties" posting or commenting, she is thinking about the City's responsibilities to protect employees from harassment or discrimination. She would not mind if the entire paragraph was removed.

Mayor Brown remarked that we have to take down something that is offensive immediately and we reserve the right to do that.

Mr. Roth advised that if the paragraph is in the document or not in there, we have the same rights.

Councilor Livingston suggested looking at what we can do and adding to a workshop to accomplish what we want to do.

Councilor Messinger rescinded his motion with the caveat that it is more appropriate to remove the discussed paragraph.

Made by Messinger, seconded by Key.

MOTION: **TO REMOVE THE DISCUSSED PARAGRAPH BEGINNING WITH "THE WEBSITE ADMINISTRATOR" AND ENDING WITH "TO TOPICS POSTED BY THE CITY."**

Councilor Key stated she would like to add it to an agenda to vote on if we are going to keep commenting off or not.

Mayor Brown called the meeting to order at 6:00 p.m.

Mayor Brown asked the City Attorney for an opinion regarding Council attendance in order to conduct a meeting as only two Council Members are present

City Attorney Zachary Roth explained that Florida Statute allows remote participation by Council Members only if there is a quorum physically present. There are two Council members present and Councilor Livingston is attending remotely. Her attendance does not count towards the quorum, therefore we lack a quorum and are unable to conduct a meeting.

SAC Summary.xlsx;

Good afternoon Mayor & Council,

Please see the attached information for the Senior Activity Center (SAC). I have attached a summary of the expenditures to date, summary of ML&H design estimates as well as the only bid received. The second tab outlines the Senior Center approved FY 2023 budget. It is our suggestion that the additional funds requested for the SAC completion would be displayed as a decrease in the General fund annual contribution to the SAC budget. The SAC Budget tab has two scenarios an 8- or 10-year reduction of these monies.

Please note that it is better to show as a reduction of our donation because we are still in possession of the building as an asset. We cannot require a non-profit to have a loan with us using federal funds and the city maintains ownership.

In addition, the proposed ordinance regarding spending should be defined a bit more. There are many examples of items however, it is not defined as to what is sufficient support documentation. While I agree, this information is important for sound decision making for expenditures, it may be sound to require it as a best practice rather than an ordinance.

Thank you,

Danielle

To the City of Neptune Beach

Thank you for the opportunity to bid the job that you have coming up. I have already filled out the paperwork and signed the letter for the bond, from my bond company. I filled out all the paperwork, let me know if I missed anything. Also, I would appreciate if you guys would go over my bid, to make sure everything is correct for you guys. If there is anything incorrect, I would like to be advised so I can fix it. I excluded the parking lots, concrete to the decking, and any electrical poles that needs to be moved. If you would like me to provide the bid for that work, I would like more time so I can achieve a proper bid for both parties. Or, we could include this into the second phase of the work.'

Also, we need 6-10 months to finish the project, when we have the shop drawings in with a permit in our hands.

If you have any questions, please reach out to me.

- 13.02 If, within 24 hours after Bids are opened, any Bidder files a duly signed written notice with Buyer and promptly thereafter demonstrates to the reasonable satisfaction of Buyer that there was a material and substantial mistake in the preparation of its Bid, that Bidder may withdraw its Bid, and the Bid security will be returned. Thereafter, if the Work is rebid, that Bidder will be disqualified from further bidding on the Work.

ARTICLE 14—OPENING OF BIDS

- 14.01 Bids will be publicly opened at the time and place indicated in the Request for Bids (advertisement) and read aloud, unless obviously non-responsive. An abstract of the amounts of

A Bid may be found to be irregular or non-responsive by reasons that include, but are not limited to, failure to utilize or complete the prescribed forms, modifying the Bid specifications, submitting conditional Bids, incomplete Bids, submitting indefinite or ambiguous Bids, executing forms or the Bid sheet with improper and/or undated signatures, failure to provide all required information Bids containing any conditions, omissions, unexplained erasures, alterations of the provided bid documents or forms, or items not called for in the bid documents. Other conditions which may cause rejection of the Bids include, evidence of collusion among Bidders, obvious lack of experience or expertise, and failure to perform or meet financial obligations on previous agreements. Buyer may also reject the Bid of any Bidder if the Buyer believes that it would not be in the best interest of the Project to make an award to that Bidder. Owner also reserves the right to waive all informalities not involving price, time, or changes in the Work and to negotiate contract terms with the Successful Bidder.
- 16.03 Buyer will reject the Bid of any Bidder that Buyer finds, after reasonable inquiry and evaluation, to not be responsible.
- 16.04 Buyer will reject the Bid of any Bidder that the Buyer finds that the Seller failed to furnish a Bid Security, complete, properly executed, and in the minimum amount stated.
- 16.05 In evaluating Bids, Buyer will consider whether the Bids comply with the prescribed requirements, and such alternates, unit prices, and other data as may be requested in the Bid Form or may be requested from Bidders prior to a Notice of Award.
- 16.06 In evaluating Bidders, Buyer will consider the qualifications of Bidders, WBE/MBE utilization, local preference utilization and may consider the qualifications and experience of Subcontractors, Suppliers, and other individuals or entities proposed for those portions of the Work for which the identity of Subcontractors, Suppliers, and other individuals or entities must be submitted as provided in the Procurement Documents. In the event of a low tie bid, the low bidder who proposes to utilize a higher percentage of MBE/WBEs and local preference on the project will receive preference for award.

- 16.07 If the Buyer awards the Procurement Contract, such award will be to the lowest, best, responsive, and most responsible bidder.
- 16.08 The Buyer will evaluate the Bids and the award will be made to the lowest responsive, responsible bidder. Certified minority business enterprises or minority persons as defined in F.S.s. 288.703 are encouraged to timely submit their bid for this project consistent with the terms of this Notice. Due consideration also will be given to bidders, other than certified minority business enterprises or minority persons, who agree to use certified minority business enterprises or minority persons as subcontractors or material suppliers for this project, should they be awarded this bid.
- 16.09 The lowest, responsive, responsible bidder may voluntarily reduce its bid price or prices provided such reduction is not conditioned on, or does not result in, the modification or deletion of any specifications or conditions contained in the Procurement Documents that would alter the determination of which the bidder would be awarded or portion thereof when in the best interest of the Buyer.

ARTICLE 17—BONDS AND INSURANCE

- 17.01 The General Conditions and the Supplementary Conditions set forth Buyer's requirements as to performance and payment bonds and insurance. The whole purpose of this provision is to save the amount of sales taxes that would be otherwise assessed to the Contractor for the major material purchases.
- 19.03 Should the Buyer choose to purchase any materials and/or equipment for tax saving purposes, it shall be the Seller's responsibility to ensure conformance with Contract Documents, coordinate

ordering, deliveries, submit Shop Drawings, receive and verify accuracy of such shipments and, unload such shipments as if Seller had purchased the materials direct. The Seller shall submit Shop Drawings to the Buyer and/or the Engineer for review and approval action. After the Seller and Engineer have reviewed and approved the Shop Drawings, they then shall be submitted to the Buyer for review.

- 19.04 The Contractor shall include all risk of loss and bear the cost of insurance on all materials purchased tax exempt. Once the Buyer's Purchase Order is prepared, then it will be returned to the Contractor for proofing and mailing to the vendor.

- c. *Interpretation.* The duties of this Section 17 shall be broadly construed so as to give them effect and any rules of interpretation which provide against a requirement to extend a duty of indemnification or to defend shall be ignored.

19. **Attorneys' Fees.** In any action filed by the City to enforce Licensee's obligations under this Amended Agreement, the losing party must pay the prevailing party's costs and expenses in action. Such expenses include, attorneys' fees and costs (i) upon default or anticipated

The City and Licensee agree that each party shall bear their own attorneys' fees in any other action filed by either party arising from or relating to this Amended Agreement.

20. **Agreement Interpretation.** The City Attorney will be responsible for any needed interpretations of this Amended Agreement.

21. **Joint Drafting.** For the purposes of any interpretation of this Amended Agreement, this Amended Agreement shall be considered as having been authored, drawn and written by both the City and Licensee and, in the interpretation of this Amended Agreement, there shall be no presumption of vagueness, ambiguity or unfairness against the City or the Licensee. Any doctrines construing provisions against the drafter shall be ignored.
